

Engaines School

Our School Improvement Plan 2013-2014

Priority Area	Focus
Achievement of Pupils 	Ensure work is challenging for all ability groups and plenty of time is allowed for pupils to work on their own.
Quality of teaching 	Staff have increased opportunities to observe good practice at Engaines and in other schools.
Behaviour and Safety 	Children know their next-steps in reading, writing and maths and act upon advice given to them. (Learning Behaviour)
Leadership and Management 	Provide governors with an increased understanding of data and how to use it in order to challenge rates of progress across the school.
Early Years Foundation Stage 	To improve outdoor learning opportunities and make sure baseline assessments are accurate.
